

Top Dog Obedience School presents

Kamal Fernandez

Friday, Saturday and Sunday,

August 23-24-25, 2019

Top Dog Obedience School, Flanders, NJ

FRIDAY: Advanced Heeling

Kamal will continue from where he left off last time he was at Top Dog. The beauty between a dog and handler is never more illustrated, then the picture of a team doing heeling in unison, capturing both drive and accuracy. Find out how to teach this exercise with Kamal Fernandez, international seminar presenter and top level dog sports coach. His pupils have competed successfully at the top level including world championships in the UK, USA, New Zealand, Australia, Europe and Asia! Their breath taking performances have been a trade mark of the method and the embodiment of the dog/handler relationship!

SATURDAY: Fading Reinforcers and Ring Prep

Preparing your dog for the obedience ring requires careful planning and skill. The dog must be able to perform obedience exercises in the ring without reinforcement available. Come explore and develop a plan for your dog's ring experience. We expect that working teams will show a wide range of "ring readiness."

SUNDAY: Handler Choice

The group will be surveyed ahead of time and Kamal will work with the participants on specific areas where they need assistance. It will be fascinating to watch Kamal work on a variety of topics.

KAMAL FERNANDEZ

Head trainer and owner of East London Dog Training, Kamal Fernandez has over 20 years experience training dogs from all walks of life. His current dogs include two Belgian Malinois, two Border Collies, a German Spitz and a Boxer. An internationally renowned seminar instructor, Kamal's other career highlights include being a Championship Obedience judge and Crufts competitor.

Based on a combination of science and hands-on experience, Kamal has established a reputation for positive training and has championed the use of reward-based methods all over the world.

"Kamal ... has developed a method of training that is underpinned by scientific assessment (of popular methods) and pro-active innovation and implementation of new techniques. He promotes positive reinforcement via a systematic program that is designed to establish the relationship between the handler and dog..... Kamal's training philosophy is influenced by his love for dogs. Watch him train his dogs. He has designed a training method that achieves a specific objective by creating harmony and synergy between dog and handler. The out-come is an experience that the dog enjoys and the experience commands the dog's undivided attention whether it involves working on the hallowed green at Crufts or simply crossing the road."
